Stephen,
Can you show on a map where the "study area identified by EPA Marine and Coastal Section" is located?
Thanks!

Subject: fyi: SJRWP fingerprint/congener analysis

Hi Ron, Casey, Nicole:

fyi: the SJRWP site team have been asked to conduct a fingerprint/congener analysis on the dioxins found at SJRWP waste pits with the dioxins found at:

- 1) the Patrick Bayou Superfund site.
- 2) the study area identified by EPA Marine and Coastal Section.
- 3) the four areas identified by TCEQ and EPA TMDL Sections.

I will be sharing the results and the complete methodology with everyone when this finishes at the end of March.

Thanks,

Stephen L. Tzhone
